Good afternoon,

Congratulations! McLennan Community College Student Veterans of America (MCCSVA) is now an active MCC student organization!

I have added your group to the website as part of our list of active clubs. Mr. Williams, I have now added you to my contact list of student org advisors.

We typically require student orgs to submit additional documentation after they have had a chance to do their first meeting. However, seeing as how the semester is coming to a close, and we will collect annual documentation from all active clubs in the fall anyway, your group won't have to submit anything else right now.

If your group plans to hold meetings or events (on or off campus), please be sure to submit a [Student Life Event Proposal Form](#) so our office can review the event and book an on-campus location for you if needed. If the events repeat, you can mark them as recurring in the form and specify which days/dates.

Attached is your group's signed Application for Charter and the current constitution for your records.
